Brooking Silver Lining 5012 continues to impress, as a daughter was named Reserve Champion Female at CWA 2018 - as a heifer calf! That impressive female from the Riverfront Angus Ranch program continued her winning ways for Halley Adams and Ter-ron Farms throughout 2019 with accomplishments too extensive to list, which she capped by winning her division at CWA. A Silver Lining son was a favorite at the 2019 Brooking bull sale and sold for \$21,000. Silver Lining himself won the inaugural President's Classic over all breeds at CWA 2015 and then was the \$50,000 high seller at the 2016 Brooking bull sale to W Sunrise Angus. He has the authority to catch your attention with his long, proud front end combined with so much power and mass. He has matured into a powerful individual with true presence, structural integrity, and flawless movement. His dam is an attractive, high phenotype cow that raised Brooking's high selling heifer in 2014 at \$31,500 and a maternal sister to the dam sold for \$40,000 in Brooking's 2015 female sale. Take advantage of this opportunity as Silver Lining is one of the most complete bulls in the Angus business.
