OWNERS W Sunrise Angus & Canadian Sires

An impeccable pedigree, flawless phenotype, and proven production surround the great Trendspotter. He has a stacked pedigree with some of the very best Angus females of all time right up close including the great Rose 918 and the World Angus Forum Champions, Soo Line Annie K 6271 and Soo Line Annie K 9165. 9165 herself followed up the WAF championship with a Supreme win at Agribition 2011. With Bank Note semen not available on the open market, here is a son that replicates a number of his qualities and adds the great Annie K influence while doing so. With just an 84 lb BW, he posted an impressive 911 WW and 1,470 YW while providing a balanced EPD profile that tends towards higher growth offspring. He is one of the most impressive mature bulls to view with great feet, tons of power, and a great look. One of Trendspotter's first sons brought \$13,000 to the respected Six Mile Ranch program in the spring of 2019. With all of these positive indications, there is still one added bonus - service to Trendspotter will qualify for the Rose Bowl sale in August 2020!
