"PURPLE" BULLS 65-67

welcome from **W SUNRISE**

It is a great honour to welcome you to our seventh annual W Sunrise Angus Bull Sale. Wow, it is hard to believe this will already be our seventh bull sale. Without the great support from all of you this would not be possible. Over the past years we have tried to stay down the same path and not deviate to far. Staying true to what we believe in, like to look at and raise. With truly exciting times ahead in the cattle industry the Angus cow is going to play a big role in the herd rebuild. She is and always will be the main ingredient in the factory. At W Sunrise we have and will continue to put all emphasis on the great maternal side of this breed. Every breeding decision and herd bull selections have been made with the cow as the main focus. Our cows are selected, tested and culled on a daily basis, they not only have to work but thrive under tough conditions. Our cattle are given every opportunity to fail and fall out. As always we are always on the search for the next great herd bull, the next piece to the puzzle. All efforts are exhausted on finding what we feel

is the best the breed has to offer. Once again we have fed our bulls under the watchful eye of Bullseye Nutrition. The bulls are fed to express muscle, performance and phenotype without being burnt out. Longevity has always been our main focus while feeding bulls.

If you get a chance, stop by the ranch anytime and walk through this great set of maternal driven herd bulls. Plus leave yourself a little time to go find the dams of your favourite bulls in the pen. We look forward to seeing everyone at the ranch before the sale or visiting on the phone before hand and of course on sale day.

Sincerely
Tanner, Megan, Paige and Quinn

Terms & Conditions

In-herd Semen W Sunrise retains the right for in herd semen use on all sale bulls. All sale bulls in the catalog are sire verified.

EPD's Printed EPD's are the current CCA EPDs at publication time.

Breeder Guarantee All bulls have been registered, unless indicated in the catalog, and papers will be transferred to the new owner. All bulls sold are guaranteed to the standard breed association guarantees. In no event shall the seller be responsible for reimbursing more than the purchase price.

Sight Unseen We would love to have you with us; however we do understand how busy things can get around the ranch. Our sight unseen program is simple. Call Scott Bohrson or Tanner Walgenbach in advance and we will discuss your needs, cowherd, goals, budget and which bull or bulls work best for you.

Delivery FREE DELIVERY to central points near your ranch in Alberta, Saskatchewan and British Columbia. All other points will be cost shared. Delivered at the seller's earliest convenience after arrangements to do so. We will take \$200 off the price of the bulls if taken home sale day. All bulls that are returned to the feedlot will be delivered by April 20 for the convenience of the feedlot.

Loading Out Loading will not be allowed until the conclusion of the sale.

Insurance All bulls returning to the seller must be insured.

Liabilities All persons attend the sale at their own risk. The sellers and/or sales staff assume no liability legal or otherwise, for accidents that occur in, on or about the premises.

Semen Test All bulls will be semen tested before sale day.

Terms The terms of the sale are cash or cheque. All monies are in Canadian funds. The right of property shall not pass until after settlement has been made. All settlements must be made with the clerk before any cattle will be released.

Disputes Every animal sells to the highest bidder and in the case of disputes, the auctioneer's decision will be final. Announcements from the auction block take precedence over the printed matter in the catalog.

Viewing Bulls are at home at the ranch, stop by anytime prior to the sale to view bulls and dams. Bulls will be trucked to town on Sunday April 9th where they can be viewed up until sale time.

Health Bulls and the entire ranch are on a full herd health program with Zoetis.

welcome

from **BOHRSON MARKETING**

The Walgenbach family of W Sunrise Angus has in short order elevated themselves to one of the premier operations in the entire beef industry that annually host one of the must attend bull sales of the spring. Each year the overwhelming crowd at S.A.L.E made up of the most aggressive commercial outfits and purebred cattleman alike come to obtain a W Sunrise bull and as you study the 2023 offering, you'll see why this has become one of the most impressive bull sales every April. On behalf of all of us at Bohrson Marketing, we are proud to welcome you to the 7th annual W Sunrise Bull Sale.

For the past decade the Walgenbach family have assembled an extremely high quality cow herd with a heavy emphasis on foot and udder quality with awesome phenotype. Both the black and red hided cows are managed along side their commercial cows and are expected to be low maintenance, high performing cattle that thrive in any environment. The bull battery at W Sunrise is as deep in quality as anywhere you'll tour and Tanner and Megan's never ending quest to find the next bull to compliment their powerful cowherd is endless and they are certainly critical on the fundamentals to bring into their own program to ultimately transfer into yours. When you purchase a W Sunrise bull you can be rest assured every step necessary has been taken to get you a high quality bull backed by a super productive cowherd.

We encourage you to take the time and visit with Tanner and Megan about their sale offering, go for a tour of the bull pens, view the cow herd and see what the W Sunrise program is all about. Plan to be with us in Fort Macleod for a great set of bulls, awesome hospitality and some great rancher camaraderie. If any of us at BMS can be of any assistance, please do not hesitate to give us a call and get a free consultation of the offering and utilize our trusted order buying services.

***Best Regards,
The Bohrson Marketing Team***

\$115,000 PATERNAL BROTHER
W SUNRISE EXECUTIVE 4J

W Sunrise Executive Law 507H is without a doubt one of the most complete and exciting herd bulls ever raised here. His commanding presence was evident very early on, phenotypically eye catching with lots of hair and a true herd bull presence. An extremely sound made Executive Decision son wrapped up in a highly maternal package. At 11 months of age, Executive Law's scrotal measured 39cm and he froze over 400 straws of semen. Executive Laws dam is an ideal Angus cow with exceptional feet and a beautiful udder, she is backed by the highly maternal HF Syndicate 231Z. The HF Syndicate cattle have been rising to the top in Canada. Executive Laws sire PM Executive Decision has done over the top raising females and herd bulls for us and many other progressive programs in Canada and USA. PM Executive Decision is the best son to date from the elite female maker Bar-E-L Natural Law 52Y. Executive Law is backed by one of the most maternal pedigrees in the Angus industry. Executive Law was a bull calf that we needed to use back in our own program, not willing to give up ownership we partnered up on this exciting herd bull with two exceptional programs in the USA, Koupals Angus and Pine Coulee Angus, where he went out and successfully bred. Executive Law was used extensively in our AI program this year and will be used in the future.

Here is a pretty exciting herd bull to start off this consistent, fault free sire group of Executive Law sons. 737K much like his sire had a tremendous herd bull look very early on in life. This is a trait we strive for here, we really like early maturing cattle. He is long, stout, stylish with a real herd bull presence. What makes this herd bull the real deal is the exceptional dam behind him, Brooking Annie K 133 is no stranger to raising the great ones. Her bred heifer sold last year at the Angus Collection for \$25,000 to SSS Red Angus and Sunberry Valley Ranch. 737K is the real deal back by the wright female.

Here is a bull that we are super excited for, to get this much mass, muscle shape and raw power out of a calving ease bull is very hard to achieve. Even with all his masculinity and mass he still maintains a sharp front end and manages to get his head up on the move. Dark red and hairy he is a bull that can not be missed in the pen. His commanding presences was evident very early on and was a calf that was admired all summer beside his hard working, heavy milking, two year old dam. We feel this is a calf that has a lot to offer to the industry, so many hard to find traits and as a added bonus he carries a nice epd profile.

Fort Knox was a bull that was a must buy for us. Coming from the great program at Wheelers Stock Farm, Fort Knox offers a unique outcross pedigree and an absolute stunning dam. We own this exciting herd bull with Wheelers and look forward to his future in this Red Angus industry. Fort Knox looked tremendous here this summer, dark red, very masculine herd bull with a big time presence. These are the first sons to sell off of this great bull and 795K is a pretty special one. He has a lot of friends in the pen and is very easy to spot with his dark hair and masculine presence. His dam has done a tremendous job for us in the past, raising a herd bull to the good people at Diamond T and an exceptional bred heifer this fall in the Ladies of The West sale going to Steve Koedam in Minnesota.

RED HRH SUPERIOR 50Z

Here is probably the most complete herd bull in the entire pen, he is a big time herd bull that does absolutely nothing wrong and everything write. He ties so much power and performance into a soft made, maternal package. His maternal sister calved here this year with an absolute gorgeous udder. He brings to the table a unique pedigree for us with some of the breeds best female makers in it. He is extremely nice footed, structurally sound and offers the Red Angus industry a lot.

Stetson has done a tremendous job for us over the years. They calve easy, grow fast and the females are absolutely outstanding. We sold a very attractive sister to this bull this year at Wheelers Invitational Sale to our good friends at Shaggy Meadows Red Angus in South Dakota. This bull will bring a lot to the Red Angus breed not only in performance and maternal.

Here is a pretty exciting calving ease herd sire. He profiles extremely well, long and soft made with exceptional hair. Waiting for DNA back on this bull calf.

*thank***YOU**
for the support the last 6 years

Would like to Thank Jordie for being the professional photographer here at W Sunrise Angus. For taking such great care of our sale cattle through-out the summer and fall and having them look their absolute best on sale day.
